YPSILANTI CATHOLIC

JUST A WORD ... by Fr. Harvey

We hope that many of you have made plans to attend our special communal Lenten Penance service this coming Friday evening at 7:30 p.m. Confessions will be heard by several priests that evening. Fr. Howard Hungerford, a former associate at St. John's and now retired and living in Ypsilanti has graciously consented to be here then. Four of my classmates have also been able and willing to sacrifice the evening to be here at St. John's - Fr. Jack Fabian from St. Luke's in Detroit, Fr. Dan Kuchars from St. Agnes, Detroit, Fr. Fred Schweihofer from St. Suzanne, Detroit and Fr. Bill Koenigsknect from St. Thomas, Ann Arbor. We are counting on a large attendance since confessions will be heard only two hours during Holy Week itself. Invite your friends to share this great Sacrament of Christ's forgiveness.

Tickets are still on sale for the celebration of the Paschal Meal to be held Wednesday of Holy Week, March 29. The celebration of this Jewish Passover Meal will be a beautiful preparation for the celebration of the Christian Passover on Holy Thursday.

We hope you are making plans for participation in the Great Days of Holy Week - Holy Thursday, Good Friday and the Easter Vigil followed by the Mass of the Resurrection. We can be very proud and thankful for this beautiful week. Personally, I look forward to these celebrations with tremendous anticipation. Plans are well underway for our parish celebrations of these, the greatest of all Christian holydays. The many hours of preparation required of so many people at this time of the Christian year prove to be hours fruitfully spent. Make sure your family does not miss the grace-filled opportunity of sharing in these very special Liturgies.

Holy Thursday, that singular time for celebrating Christian fraternity, will have a special accent this year.

As we celebrate anew Christ's command to love as He has loved visibly manifest in the dramatized ceremony of the washing of the feet and the celebration of the Lord's Supper, our response to that 'Command' will take another form of visibility. Food baskets will be placed at the entrances of the Church to receive any donations of non-perishable food that you and your family might like to share with the poor. The baskets of food will be carried in the offering procession and then distributed to needy families and to the 'pantry' of the Catholic Social Services for distribution to the hungry. Considering the rather high prices of food these days, such contributions could be a real sacrifice and a final form of our Lenten almsgiving. If you would rather make a monetary offering to be used for similar purposes instead of bringing food with you, baskets will be available next to the food baskets to receive your offering.

This Privileged Hour

by Father King

It is a promising sunny Sunday this morning and I hope you will bear with me as my thoughts meander back to Ypsilanti and St. John's. In a short time I will be concelebrating Mass with the other 23 priests from various parts of the country and various forms of ministry - and it will be my custom on each Sunday to offer Mass for the people of St. John's.

I want to take this opportunity to thank in a special way those who made the bon voyage party a reality. It was very thoughtful and I deeply appreciate the sacrifices made by those who came to say 'adieu'. I hope those who wish to do so will write and I will make every effort to respond though 'faithful correspondent' has not been one of my characteristics.

My gratitude must go in a special way to the pastoral team at St. John's. Father Dave, Deacon Ken, Sisters Carol Schlarman, Carol Denise, Jacqueline, Mary, and Catherine have all provided such support and encouragement by their friendship and competency, that placed the notion of such a venture as this within the realm of feasibility. I know Marie will keep juggling the figures and balancing the accounts so that we will continue to surface and keep our creditors pacified if not sated. And I know Frank will do his best to keep the home fires burning until the warmth that we feel here will move into Michigan's clime. And Alma and Madelyn will keep the house in order and body and soul intact.

I must thank in a very special way Ed Look who did much more than I to see to it that I was ready for the trip. I know I must have caused him much exasperation as he attempted to corral me into the necessary preparations only to find me bucking off in different directions. And, of course, the encouragment of the Council, whose support and friendship became so manifest as I unfolded my proposal.

Though the few weeks I have been away have not been without their moments of homesickness and nostalgia, each experience has convinced me of the soundness of my decision. The program that is provided here seems ideal and, at the same time, very practical in helping me to renew my vision of what I must be and do to serve as best I can in the days ahead. These words of Cardinal Suenens in THE FUTURE OF THE CHRISTIAN CHURCH sum it up perhaps best of all: "At a time when the ship is being battered we ought to offer to God a

Minutes Of Christian Education Committee Meeting On Page 3

fidelity that is ever pure and stable. Our fidelity ought to be purer because it relies no longer on the social underpinnings of a Christian culture that is disappearing, but upon God himself, who is experienced in our more personal concerned and apostolic commitment. Our fidelity is more stable because we must go through and beyond the weaknesses of the Church and know how to recognize and love its true face. Despite the deep wrinkles on the face of his mother, an adult knows how to see in her look the eternal youth of a love that never grows old ...As Christians who have grown up, we know that we owe the Church the very best that is in us. And that is sufficient reason why she remains for all of us, despite her 'wrinkles,' our Mother, the holy Church."

Dearly Beloved in Christ:

According to the custom of the past 28 years, the annual Catholic Relief Services Collection will be taken up on Sunday, March 26th. Since its establishment in 1943, as a war relief agency, this program has generated over 2¼ billion dollars for relief of suffering and poverty throughout the world.

Wherever need has arisen, whether the need resulted from natural disaster such as the earthquake in Peru or from the ravages of war as in Biafra and Bangladesh, Catholic Relief Services has been able to respond with immediate help. Your Christian concern and generosity have made this possible.

It is important to note that Catholic Relief Services is not limited to crisis situations. Catholic Relief Services has developed many long term programs of self help designed to help the helpless become self sufficient and independent.

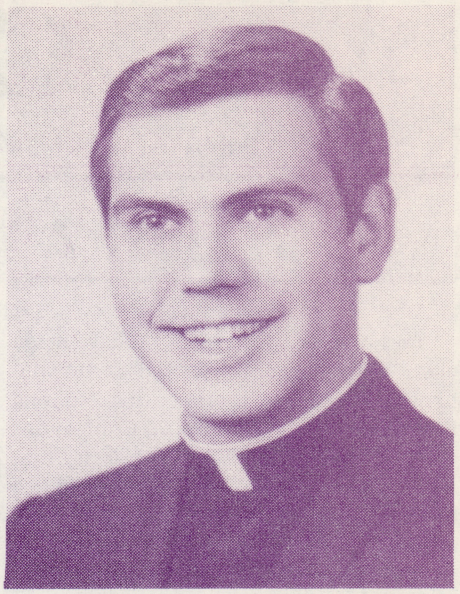
The recent Synod in Rome called upon everyone in the Church to examine his own life-style to see if high standards of luxury and affluence can be justified in the face of suffering, hunger, and poverty. It is in this spirit that I appeal to you for a generous response again this year.

The Synod document on "JUSTICE IN THE WORLD" reminds us that "according to the Christian message, therefore, man's relationship to his neighbor is bound up with his relationship to God; his response to the love of God, saving us through Christ, is shown to be effective in his love and service of men. Christian love of neighbor and justice cannot be separated."

Devotedly yours in Christ,
Alexander Zaleski,
Bishop of Lansing

REGISTRATIONS ACCEPTED

St. Alexis Parish is accepting registrations for Grades 1 to 6 for next September. Tuition is $250.00 for the first child and $100.00 for each child from the same family. Contact Sister Marie at 483-0591 any weekday after 2:30 P.M.



Dear Parishioners of St. John's:

Your weekly paper gives me an excellent opportunity to give a very long overdue "Thank You" for your kindness and generosity at Ordination time. The ceremonies and celebrations were expressive of the faith that is real and deep in our parish. That deep faith was witnessed in all the behind - the - scenes planning and preparation.

There are so many people that deserve special thanks for their efforts that this article could not begin to do justice. Ordination is no small step and preparing for that Ordination celebration is no small task. I deeply appreciate your support and cooperation in making it a really great and memorable weekend. I am honored that you could share with me and my family all the joy and happiness of that very special weekend.

Be assured that St. John's will always have a very real and special place in my heart.

Thank You

Father Terry Kerner

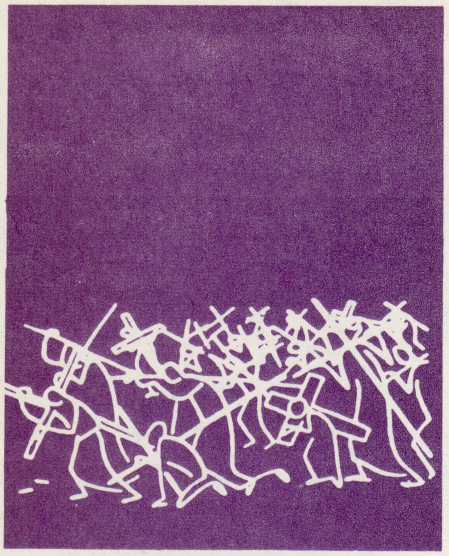
MINUTES OF THE CHRISTIAN EDUCATION COMMITTEE MEETING

1. Meeting called to order with four members present, February 21, 1972.
2. Members looked over the parents' evaluation sheets from the First Communion program. The reaction of the parents was favorable. It was brought up that the parents unanimously felt a need for a children's Mass.
3. An inquiry was received from St. Thomas Parish about a possible subsidy for St. John's parishioners attending St. Thomas School. It was decided that request for same would be presented at the next Parish Council meeting--also a report on the bus to Ann Arbor and a request for its continuance.
4. A letter was received from Lansing requesting the parish to have Confirmation in March, but it was decided to postpone this until next year. A letter will be sent to Lansing requesting the delay because of the following reasons: a lack of preparation time for students, parents and teachers and the absence of Father King.
5. The committee decided on the following recommendations concerning Confirmation being sent to the Parish Council:
   1) Confirmation would be planned for the period between January and March of 1973 for Grades 8 and 9, and any older unconfirmed children.
   2) In the Fall of 1972, and each year thereafter, an instructional program for the sacrament would be given.
   3) Pre-registration for Confirmation should be carried out this Spring sometime after the March Parish Council Meeting.
6. Things that will need to be done in preparation for Confirmation:
   1) Resource books ordered by Sister Jackie.
   2) A program developed for instruction of parents, teachers and students.
   3) A liturgy for the sacrament developed possibly by the Worship Committee.
   4) A letter sent out to parents this spring explaining the Confirmation program and pre-registration.
7. Eighth grade was set as a desirable age for Confirmation because of greater maturity of the students at this age, and also the possibility of retaining students longer on the C.C.D. program if it is delayed until this age. A pre-registration was deemed necessary to determine the number of teachers needed.
8. A need was expressed to inform members of the parish of the number of people being served, and the utilization of the buildings. This was felt necessary to allay criticisms voiced about under utilization of our personnel and buildings.
9. It was decided that the committee should formulate a plan for adult education over a period of several years; included should be further work on the community church concept. It was suggested that adult education films be shown after the 11 o'clock Mass on Sunday. Also, a need was expressed to co-ordinate our programs with those of Holy Trinity Chapel and with the other Ypsilanti parishes.
10. It was suggested that the committee sponsor an information Sunday on which representatives from the various area Catholic schools would speak at the Masses and promote interest in their schools. It was decided to defer the planning of this until after the March Parish Council Meeting at which subsidy would be discussed.
11. The Adult Education portion of the budget was discussed and prepared.
12. The preschool, elementary and high school budgets will be determined next meeting.
13. The next meeting will be held on March 20th.
14. A recommendation was made at this time that we would like to remind the parents to take care of paying the fees for Religious Education programs.
    Pre-School – $5.00
    Elementary – $10.00 (Wednesday Program) $20.00 (Released Time)
    High School – $5.00

The next Education Commission meeting will be held on Monday, March 20th at 8:00 in the Center Library.

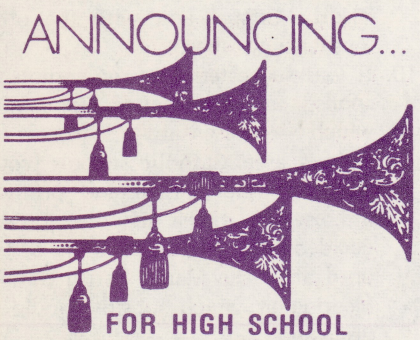
SUNDAY, MARCH 19
OUR SUNDAY VISITOR

Where does one turn when the consumption of alcohol becomes the most pressing need of the day? Matt Talbot, an alcoholic for more than 16 years, sought and received Divine help and became "The Apostle of Alcoholics," an article in today's OUR SUNDAY VISITOR. Also featured is an explanation of the Book of Psalms by Charles Dollen. This particular book had the greatest influence on life in the Church than any other book in the Old Testament. Don't miss the colorful 3-page center section that gives a pictorial story of the Stations of the Cross - Christ's journey from Trial to Tomb; all in your weekly Catholic newsmagazine.



PORTRAYAL OF CHRIST'S PASSION

Again this year, the portrayal of Christ's Passion will be presented by the teens of this parish with the help of Michelle Candiotti. If you are interested in being a part of this pageant, contact Michelle at 482-1794 and leave your name so you can be contacted as to the time of practices.



FOR HIGH SCHOOL SENIORS

As you read in the CATHOLIC WEEKLY several weeks ago, Siena Heights College, located in Adrian, Michigan, has the unique position of being the only Catholic College in the Lansing area. To initiate recognition of their presence, Siena Heights wishes to extend a Parish Grant of $300.00 to a student from our parish. This particular grant is not an academic competitive grant; it is based on the sole requirement that the student does meet the entrance standards of the College, and has been recommended by the administrative board of the parish.

If any high school Senior from our parish is interested in knowing more about the details of the grant for this year and its possible renewability, please contact Father Harvey at the Rectory (483-3360).

THINGS PEOPLE WONDER ABOUT

It is interesting to note that at the YPSILANTI INTER–CHURCH BLOOD CLINIC on February 28, 1972, the breakdown shows that St. John's was represented by 20 people who successfully gave and 4 who were deferred. The only group having more registered was the First Methodist with 22 and 4 while St. Luke's representation numbered the same as ours. We were represented amongst 15 churches in the area.

Did you know that the athletic equipment from St. John's High School was given to St. Thomas for their use and with our good will in the knowledge that we have been supportive to their endeavors?

One of our favorite parishioners, Mrs. Madeline Kleekamp, has been residing at Carmel Hall, 1650 Woodward Avenue, Detroit, Room 595 since the summer. . .I hope we are not forgetting to send her our thoughts now and again. If you have, why not make an effort to send Easter greetings.

Thank you Joanne Burns for your kind words about the YPSILANTI CATHOLIC. . .it will make us strive for continual improvement.

REMINDER

First Communion interviews must be completed by Holy Week. Communicants can contact Fr. Harvey or Deacon Ken at the Rectory (483-3360) to make an appointment.

CATHOLIC WEEKLY ENVELOPES

Those parishioners who would like to continue receiving THE CATHOLIC WEEKLY are reminded to use the CATHOLIC WEEKLY envelope they received with the March envelopes and make their contributions by the end of this month so that the list of names can be finalized. The contribution is $5.00 per year.
